SALES LIFT. SIX MONTHS.

One retail project. No new
technology. Just a plan.

01

STRATEGY FIRST

Agree what each screen is for, which products to promote, and who will be standing in front of it.

02

PROMOTE WHERE THEY BUY

Link screens to the products nearby, so the message lands at the moment of decision.

03

CHANGE ON A SCHEDULE

Rotate promotions with the time of day and the trading calendar.

04

MEASURE IT

Six months of sales data in the advertised category,
so the result isn't a guess.
