

IS YOUR SCREEN ACTUALLY WORKING?

In 2026, businesses expect proof.
Here's what to measure.

FIVE SIMPLE CHECKS.

01 IS IT PLAYING?

Proof the right content ran at the right time.

02 IS IT FRESH?

When did the content last change?

03 SALES OF PROMOTED ITEMS

Compare before and after a campaign.

04 QR SCANS OR CODES

A unique code per screen shows response.

05 ASK THE TEAM

What do customers mention?

WHAT GETS MEASURED GETS IMPROVED.

You don't need a data team. You need a few honest checks, every month.
